Goodbye Paper, Hello Ease

Simplified Benefits and HR

A technology solution for you and your employees.

Ease is modern benefits administration and HR software, supported by your health insurance broker. Enrolling and managing benefits online eliminates paperwork, saving you and your employees time.

Ease was founded in 2015 with the idea that you shouldn't have to choose between working with your insurance broker and using benefits administration technology. Today, more than 60,000 businesses across the country manage benefits and HR online, in partnership with their trusted benefits advisor.

Since 2015, Ease has enabled over **1.5 million employees** to enroll in benefits online.

Businesses like yours manage benefits with Ease.

Employees can log in to their Ease account with their email address or phone number, making it easy to access their benefits information from anywhere, anytime.

“

It's normal for an employee to not know what benefits they want to elect right away. With Ease, they're able to review plan options, compare costs, and complete enrollment from home. No one is tied to paper or their desks.

“

Ease helps us reduce errors. I love that the system won't let an employee move on to the next step in the enrollment process until the necessary information is entered correctly.

Broker Supported

Your health insurance broker can set up, manage, and teach you how to use Ease. Have a question? Your broker is there for you.

Digital Enrollment

Ease maps employee information to carrier enrollment forms so no field is left incomplete. Employees can also e-sign their forms.

Plan Comparison

Employees can compare unique plan details, like copays and deductibles, in a single view and see actual costs per pay period, helping them make better decisions.

Enrollment Progress Dashboard

Email employees about open enrollment and view a snapshot of enrollment progress for each employee directly in Ease.

The screenshot displays a 'Time Off Request' form for an employee named John Doe. At the top right, there are two buttons: 'Decline' (outlined in red) and 'Approve' (solid blue). Below these is a link that says 'Cancel and review later'. The form shows 'Paid time off' as 48.0 hours available. The 'Requested time off' section indicates a request for 40.0 hours from Monday 4/1/19 to Friday 4/5/19. Below this, a notification states '2 other requests overlap.' There is a 'Reason' field with a text input area. The interface is styled with a light blue background and a pattern of small blue dots on the right side.

Tracking and reporting that helps you stay compliant year-round.

Payroll Integration

Ease integrates with top tier payroll providers so you can keep benefit deduction and demographic information in sync.

ACA With Ease

Ensure coverage offered meets government guidelines, send required notifications, and generate IRS forms.
